Licensing FAQ

What is included in license coverage?

- **Perpetual Licensing:** Every license is a one-time purchase with no renewal fees.
- **Free Support & Product Updates:** Every license includes one free year of product updates & technical support services directly from the team that built the product. Extensions can be purchased at any time.
[View Extensions.](#)
- **Immediate Licenses:** Registered license keys are delivered immediately after payment clears.

What do developers, locations & projects mean?

- **License Coverage:** Coverage is based on the number of developers, organization locations, and projects, as defined below.
- **Developers:** The number of INDIVIDUALS or DEVELOPMENT MACHINES working on all projects using an Iron Product.
- **Locations:** Developer locations by city (Add Royalty-free Redistribution to unlock Unlimited Locations). [Watch video guide to locations.](#)
- **Projects:** Total historical count of Projects produced using a single Iron Product license key. Redistributable projects require additional Royalty-free Redistribution coverage.

When is SaaS & OEM redistribution coverage required?

- **SaaS:** Connected to a SaaS or a paid subscription service.
- **OEM:** A product or distributable product for sale (software package, app, executable, etc.)

Does Iron Software offer a money-back guarantee?

- All licenses are backed by a 30-day money-back guarantee.

Can I try the product before purchasing a license?

- **Free for Development:** All products are free for development & testing within IDE, with no time restrictions. [Install via NuGet.](#)
- **Free Deployment Trial:** Want to try it in a live environment? Generate a free 30-day deployment trial key.

Can I get a discount if I buy multiple product licenses?

- **Get 5 for the Price of 2:** We are proud to offer the [Iron Suite](#), all 9 Iron Software products for the price of 2. Save 60% with the complete .NET suite for your office.

Can I purchase a license through my preferred reseller?

- **Purchase from a Reseller:** Iron teams up with reseller partners all over the globe. If you wish to work with your preferred reseller, please [contact us](#), and we'll be happy to support you. For a list of our current resellers, [please see here.](#)
- **Offer Iron Software as a Reseller:** If you are a reseller, please [get in touch](#) to partner with us.

Can I upgrade my license level?

- **License Upgrades:** Whether your team has grown or your project needs have changed, you can upgrade your license at any time. Upgrade after purchase and pay only the difference in license price + \$100 USD upgrade fee. Your Support & Product Updates coverage will be extended from the date of purchase. [Contact us](#) to upgrade.
- **Add SaaS & OEM Redistribution Coverage:** You can add Royalty-Free Redistribution to existing licenses. Coverage is required for packaged software products, SaaS, and OEM. [Add Redistribution Coverage.](#)

Licensing FAQ continued

Can I extend my Support & Product Updates coverage?

- **License Add-Ons:** Add-ons can be purchased at any time.
- **Uninterrupted Technical Support & Product Updates:** One year of Support & Updates is automatically included with all new license purchases. After that, it automatically renews yearly. Renewal options can be adjusted at any point. If at time of purchase, you prefer not to set yearly renewals, [click here](#). Please be aware that purchasing support & updates as an add-on later is approximately 50% more expensive vs. our standard automatic renewals.
- **Support & Product Update Extensions:** You can extend your license's Support & Product Updates coverage at any time. Extend to uninterrupted coverage to access essential product updates, security feature updates, and support from our engineering team. [Extend your Support & Product Updates Coverage](#).

Can I purchase non-renewing Support & Product Updates coverage?

- **Non-renewing option:** Yearly Support & Product Updates can be cancelled at any time, including within the first year. If you prefer a non-renewing option, a one time 5-year Support & Updates option is available. Extensions can be purchased at any time.
- **Savings:** Depending on the license chosen (Lite, Professional, Unlimited) you can save between 50% to 66% by choosing a 5-year support & product updates option, compared to a yearly plan.
- **Payment methods:** Some payment methods are not available with a renewing support option. In such cases we suggest a 5-year plan, a one-time non-renewing payment that offers all payment options, including wire transfer.

Can I customize the EULA for my license?

- **Bespoke Licenses:** The EULA is set for all licenses. EULA [customization](#) requires purchase of an Unlimited Enterprise license, and can be arranged by contacting sales@ironsoftware.com

Can I join the mailing list to be notified about product updates?

- **Mailing List:** Join our mailing list for the latest product updates, security fixes, and occasional promotional discounts. [Sign up here](#).

How to add my license key to my project?

- Instructions on how to add Live Deployment and Trial licenses keys can be found [here](#).

Can I talk to an expert about the best license for my needs?

- **Schedule a Call:** [Click Here](#) to request a phone call and schedule a time to speak with one of our sales representatives. Please be sure to leave an email address to enable our support team to reply to your request. You can also call 24/7 to leave a message at +1 (312) 500-3060.
